1st October 2021

Dear Parents/Guardians

We are writing to inform you that there are likely to be cases of coronavirus (COVID-19) from time to time in this next phase of living with COVID-19 in the community. Please be reassured that for most people, COVID-19 will be a mild illness. The purpose of this communication is to remind you of the importance of all pupils and staff, regardless of age, and their families remaining vigilant regarding COVID-19, and indeed other infections, to protect their own health as well as the health of others around them.

We will not be routinely informing of individual cases as they occur, as this is no longer an expectation. This is because, in line with Government guidelines, we will not be restricting the attendance of close contacts who are under 18 and 6 months or double vaccinated, only those individuals who have symptoms and/or who have tested positive or close contacts over 18 years 6 months who are not double vaccinated. If your child is identified as a close contact of the confirmed case, you may be contacted by NHS Test and Trace who will advise you on what to do next.

However, we are continuing to monitor the situation and will work closely with Public Health England if the number of cases escalates to meet the thresholds for considering further steps. If this occurs, then further measures could be introduced but at this stage this is not deemed necessary. The setting remains open, and your child should continue to attend as normal if they remain well.

We have included a copy of the information sheet which we sent out at the beginning of the term to support you to make an informed decision about what to do should your child show symptoms of Covid 19.

Yours sincerely

Mrs Z Dudley
Headteacher
