Friday 10<sup>th</sup> January 2025

Dear Parents and Carers

Happy New Year and welcome back after what we all hope was a restful and relaxing break. All of the children are in fine voice and spirits as they start the new term.

As we move forward as a Primary school, I would like to thank you for your support over the last week as you have reacted so positively to the changes. Both myself, Mrs Greensmith (SENCO) and Mrs Proost (Home School Link Worker) have spent time in the Infants getting to know the teaching staff and the support staff but also getting to know the children too.

We are looking forward to doing activities together, despite being on 2 sites, for example there will be a Primary school celebration assembly held every Friday which all the children from Year 1 to 6 will attend at the Junior school and the Junior school Prefects have been leading games on the Infant playground at lunchtime as well.

Although there have been some changes to gates especially at the Junior school due to the building work, I would like to remind parents that the gates at the Juniors shut at 8.45am and the gates at the Infants shut at 8.55am. For safeguarding reasons, all the gates on the Infant site are closed throughout the day and should you need to collect a child or drop a child off after school closes, you will need to take them to the Junior school.

If your child is absent, please contact the school office on 01329 281206 or leave a message on Studybugs or via the email address [admin@peelcommon-jun.hants.sch.uk](mailto:admin@peelcommon-jun.hants.sch.uk)

The rolling start at both the Infants and the Juniors would seem to be helping the parking situation around the schools as well. I would ask that you always park responsibly and respectfully to limit the impact on the local residents.

More information will be coming out soon regarding attendance, dates for the term and updates regarding the progress of the building works.

Regards

Mrs Z Dudley  
Headteacher
