Dear Parent/Carer

At Peel Common Junior School, we are passionate about supporting children's reading. Reading is an important skill that can unlock a world of adventures around them. It encourages them to be independent, resilient and promotes good mental wellbeing. Reading regularly to an adult has been shown to significantly increase the rate of progress that a child makes with their reading.

We would love to invite you to be part of that wonderful journey for your children. We are looking for volunteers who have a few hours a week spare and would enjoy 1:1 reading with a wide variety of different children. Volunteers do not need to have huge amounts of spare time, maybe just an afternoon a week that they could commit to.

Although we understand that this may be daunting for some parents, we would like to reassure you that full training will be given.

If you feel that you, or a grandparent may be able to help, please complete the slip below and return to school by the 5<sup>th</sup> February.

Thank you in advance

Mrs Gates  
English Lead
