Dear Parent/Carer

I am writing to let you know why the plan which I shared with you a few weeks ago regarding who would be teaching Year 1 on Monday and Tuesday has not come into fruition. Unfortunately, despite Mrs Trigg being willing to start working with the class, she was taken poorly and therefore unable to come in last week. I did not want to risk another supply teacher so we approached Mrs Taylor who has already been working with the class every Thursday afternoon since Christmas to see if she was willing to work with the class on Monday and Tuesday and I am pleased to say that she jumped at the chance. I am really grateful that she did as I know that lots of you feel that the changes to Year 1 teaching staff have been too much this year and this was someone who could offer some consistency and was not new to them. Mrs Taylor has worked with the Key Stage 2 children for quite a few years and her ability to know children and to ensure they get what they need is one of her strengths.

I am sorry that this has been the case for the Year 1 and as before I aim to make sure that we have quality staff to work with your children. If you have any concerns or questions regarding this email, do not hesitate to contact me.

Regards

Mrs Z Dudley
