

## Promoting British Values

### **Democracy**

Democracy is embedded within the school. Pupils have the opportunity to have their voices heard through our School Council, pupil surveys and opportunities within class/whole school discussions in addition to voting in the Hampshire Youth Parliament Elections. An example of pupil voice having a real impact on decisions made at PCJ include voting for School Councillors.

### **The Rule of Law**

The importance of laws, whether they are those that govern the class, the school or the country, is consistently reinforced. Our school rules and values are deeply embedded in all we do every day.

Be caring and let everyone take part

Be kind to ourselves and other

Always treat others with respect.

Keep ourselves and others safe

Always have a go and try new things

Show kindness and be caring

## **Individual Liberty**

Children at PCJ are encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for children to make informed choices, through a safe environment and an empowering education. Children are encouraged to know, understand and exercise their rights and personal freedoms and how to exercise these safely, for example through our e-Safety and PSHE lessons.

## **Mutual Respect**

At PCJ mutual respect of everyone and everything is embedded in our school values along with showing kindness and being caring.

## **Tolerance of those of Different Faiths and Beliefs**

Through Religious Education, PSHE and other lessons such as English, Art and Music – children at PCJ develop awareness, appreciation and respect for other faiths and cultures from around the world.
