19th March 2019

Dear Parents

The time is now fast approaching as we continue to make plans for our PCJ Fun Mudder, the fundraising event we shared with you at the beginning of the year which we plan to hold on Friday 24th May.

We are still asking for help with sourcing equipment to build obstacles so if you are able to help with the following we would be extremely grateful.

- Tyres (which can be returned after the event)
- Closed wooden pallets
- Wooden pallets
- Rope or bungee rope
- Wooden boards (any kind of wood (good condition) decking boards, fence posts)
- Hay/straw bales
- Old paddling pools
- Space hoppers
- Mini trampolines
- Play tunnels
- Pond liner or equivalent
- Spray paint
- Camo nets

Due to the nature of the event items will be subject to getting dirty or damaged. Please do not donate anything you would want to remain in perfect condition.

We are also looking for any local businesses who would be prepared to sponsor and/or make a donation to the event so we are able to pay for Event t-shirts, wristbands and trophies for the children. If you are a local business owner or you know someone who may be interested in helping us with our cause, please find attached a letter with further information.

Kind regards

Tracy Barker

March 2019

Dear Sir Madam

We are looking for any local businesses who may be interested in sponsoring/making a donation to a fundraising event at Peel Common Junior School 'PCJ Fun Mudder' during May 2019. Like many other schools across Hampshire, our funding has been significantly cut, meaning that when valuable teaching resources and other equipment in school needs replacing we are finding it increasingly difficult to fund equivalent replacements. We are committed to making sure our curriculum is as exciting and as high quality as possible. Therefore we plan to hold this sponsored event that all the children can take part in so that we can help to change this.

Teachers and support staff in school have already compiled a list of resources that we need to purchase, this includes equipment such as dictionaries, thesauruses, protractors and other maths resources and PE equipment. We also have a great need for the provisions required to provide emotional wellbeing support to some of our most vulnerable children.

We are requesting sponsorship money/donations to help us with the costs of putting together an event that will raise a significant amount of money to enable us to get the resources that we need to best educate our current children as well as future pupils at Peel Common Junior School.

In return for your investment, we will advertise your company on boards during the event, mentions in our newsletters and on our website alongside a space for your company logo/name on our event t-shirt to thank you for your support.

If this is something you think you can help us with, please email adminoffice@peelcommon-jun.hants.sch.uk or telephone 01329 281206.

Kind regards

Tracy Barker
