Deputy Headteacher : Mr Warren Beadell
Administrative Officer : Mrs Tracy Barker

16th March 2020

Dear Parents

In my newsletter on Friday 13th March, I said that we had sent a member of staff home as a precautionary measure, with symptoms of a heavy cold. I did say however, that the member of staff had not been in school since the previous Friday. That staff member was in school on the Tuesday afternoon, which I did not realise was the case. I have since been in touch with that member of staff and they are feeling much better now and they did not develop the Coronavirus symptoms of fever, persistent cough and shortness of breath. We are therefore expecting this member of staff to return to normal duties on Thursday of this week.

Yours sincerely

Mr Andy Clarke
Headteacher
