Dear Parent/Carer

A new national helpline has been launched this week to assist parents with home-schooling. StarLine, set up this week by teaching groups, offers support and advice to families who are currently educating their children at home during the Covid-19 (Coronavirus) pandemic.

The following link <https://www.starline.org.uk/> will take you directly to their website where you will have access to a range of resources offering information, support and home learning advice from qualified teachers and education experts.

This resource is not a replacement for support and advice being given to you by staff at Peel Common Junior School but an additional tool which you may find useful during these unprecedented times. We will always encourage you to approach us with any queries or concerns that you may have by email at [adminoffice@peelcommon-jun.hants.sch.uk](mailto:adminoffice@peelcommon-jun.hants.sch.uk) or via the school office on 03129 281206.

As always, we wish you well and hope you are staying safe.

Yours sincerely

Mr Andy Clarke  
Headteacher
