Dear Parent/Carer

Please see below some more useful links to reliable websites to help support home learning for parents. We hope you find these helpful whilst you are supporting your child's learning at home.

Education Endowment Foundation – Resources for families to support home routines and valuable learning opportunities such as shared reading.

James Dyson Foundation – Supporting science at home. “Are you ready for a challenge? Can you skewer a balloon without popping it? Coat a nail in copper? What happens when you plug a clock into a potato?” Access this site for downloadable challenge cards to these and other challenges designed specifically for children.

White Rose Maths Home Learning – A series of maths lessons for year groups 1-8. Lessons come with a short video showing clear, simple instruction on how to help your child to successfully complete the activity. Over the coming weeks, more lessons will be added to their site.

Tom Hardy Reads Bedtime Stories – Follow the link to hear Tom Hardy tell the tale of Felipe the cactus, who is in search of something we all need, a hug. Through this link you will also be able to find other stories he has narrated which your child may enjoy listening to.

These resources are not replacements for support and advice being given to you by Peel Common Junior School staff but additional tools which you may find useful during these unprecedented times. Any queries or concerns, please email at adminoffice@peelcommon-jun.hants.sch.uk or call the school office on 03129 281206.

As always, we wish you well and hope you are staying safe.

Yours sincerely

Mr Andy Clarke
