Headteacher : Mr Andy Clarke
Deputy Headteacher : Mr Warren Beadell
Administrative Officer : Mrs Tracy Barker

Dear Parent/Carer

We have very kindly been provided with some home learning around water safety information by one of our year 3 parents who is a swim teacher and swim school owner.

The following link <https://www.swimming.org/swimengland/free-home-school-activities/> which has been produced by one of the swimming governing bodies Swim England, has lots of downloadable home learning activity sheets which can be accessed for free. Activities can be used to help improve numeracy and literacy skills as well as teaching your child water safety, especially for those with garden ponds and also now, during the warmer weather as paddling pools become a feature in many gardens.

Some other helpful resources on the RLSS and RLNI websites for Drowning Prevention Week, beginning 12th June can be found below.

<https://www.rlss.org.uk/>

<https://rnli.org/youth-education>

I hope you are all well and staying safe.

Yours sincerely

Mr Clarke
Headteacher
