Dear Parents

As you will be aware, the Year 6 SATs are fast approaching and will be taking place during the week commencing Monday 13th May.

In order to support the children as much as possible during the run up to the tests, we will be holding weekly study clubs after school to provide extra time for revision within a teacher-guided setting. We would also like to invite parents to join their children at these sessions (this is not compulsory), however we will not be able to accommodate siblings. During the club, children can use the time to work through their own study guides or use the additional material supplied at the session to further their understanding. Teachers will be on-hand to offer advice and guidance throughout the sessions and will be running small group coaching to aid revision where necessary.

The study club approach has proved popular in the past and our aim is enable all children in Year 6 to approach the tests with the confidence and ability to achieve their personal best. The club will run from 3:15 – 4pm on the following dates:

Tuesday 26th March
Tuesday 2nd April
Tuesday 23rd April
Tuesday 30th April
Tuesday 7th May

Please complete and return the slip attached so that we can organise resources and space for each session.

Many thanks
