Dear Parents

As in previous years, during the week of SATS we will be supporting our Year 6 children by offering them a Breakfast each morning. We have always found the breakfast promotes a positive start to each day prior to the tests. As well as enjoying a fun breakfast together, they also have the opportunity for the children to play Maths and Literacy games, chat with the teachers, relax and prepare for the tests. Even if your child does not want the breakfast, it would still be beneficial for them to attend. This has always been successful in the past with 100% attendance.

We are asking for payment of £6.00 to cover five days breakfast and ask that you return the attached slip with your payment, in cash, as soon as possible and at the latest by Wednesday 2nd May. The daily charge is £1.20 so if your child does not want to have the breakfast everyday please adjust the amount of money you send in. However, they are welcome to bring in their own breakfast on days when they will not be eating the breakfast served – this of course will be at no cost.

From Monday to Thursday we would like the children to arrive at school at 8.00am and breakfast will be served at approx 8.15am. There are no tests on Friday so we would like the children to arrive at normal time 8.45am for breakfast on this day.

The menu will be as follows:

Bacon, sausages, various cereals, pancakes bread and spreads.

All will be served with a choice of different fruit juices or squash.

Thank you.

Yours sincerely
